

# CONOR MACDONALD

FRONTEND WEB DEVELOPER

Melbourne, Australia | 0401604584 | conormacd8@gmail.com | [GitHub](#) | [LinkedIn](#)

[Personal Portfolio](#)

---

## TECHNICAL SKILLS

- HTML5
  - CSS3
  - Javascript (ES6+)
  - Git
  - TailwindCSS
  - Github
  - Figma
- 

## PROJECTS

### Personal Portfolio

- Developed an accessible front-end user experience using HTML, TailwindCSS, Javascript, and Figma.
- Used Javascript to manipulate the DOM and create animations using TailwindCSS
- Utilized Grid and Flexbox to create a responsive web page

### Dashboard Chrome Web Extension

- Developed a Personalized dashboard that utilizes RESTful API's such as 'CoinGecko', 'OpenWeatherMap', and 'Unsplash'
- Used Javascript to retrieve data from RESTful API's and manipulate the DOM with that retrieved data

### Card Pairing Guessing Game

- Developed a simple UI using technologies such as HTML, TailwindCSS, and Javascript.
- Manipulated the DOM through the use of conditional statements (if, else, else if)
- Kept track of changing variables and manipulated arrays and objects.

### To do list

- Developed a simple UI using technologies such as HTML, TailwindCSS, and Javascript.
  - Manipulated the DOM through the use of conditional statements (if, else, else if)
  - Kept track of changing variables and manipulated arrays and objects.
-
